Re: Chemetco Superfund

Dear Ms. Kerr:

This is in reply to a letter received from Joan Tanaka on August 31, 2012 regarding the above matter, a copy of which is enclosed.

First, the fact I am listed as the registered agent for Hollywood Metals, Inc. does not mean that I am or Michael R. Bass, PA is providing legal services to the entity. That is a false conclusion on the part of your agency.

Second, as reflected in the enclosed printout from the Florida Secretary of State, Hollywood Metals, Inc. has been a dissolved as a Florida Corporation since 2002.

Third, to completely disassociate myself and my law firm from this matter, I enclose a copy of a resignation filed with the Florida Secretary of State to remove me as the registered agent for Hollywood Metals, Inc. Based on this filing, please remove myself and Michael R. Bass, PA from any further correspondence on the matter. I leave it to your agency to determine where to send all future items regarding this matter.

Please send a confirmation that your department has removed Michael R. Bass, PA and me from any further communication relative this mater.

Sincerely,

MICHAEL R. BASS

Dear Mr. Bass, P.A.:

You are receiving this correspondence because you have not responded to the Request for Information that was enclosed with a General Notice Letter issued by the U.S. Environmental Protection Agency (EPA) on November 30, 2011, for the Chemetco Superfund site in Hartford, Illinois. EPA issued an information request to you/your client pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. § 9604(e). This information request required you/your client to provide certain documents and information within 30 days of receipt, and that deadline was extended to May 5, 2012.

Although the deadline for responding has passed, EPA has not received any response to the information request. EPA therefore requests that you/your client comply immediately with that information request.

Send your response to the information request to:

If no such claim accompanies the information when it is received by EPA, it may be made available to the public by EPA without further notice to you/your client.

Continued failure to comply with EPA's information request, or to adequately justify such failure to respond, may subject you/your client to an enforcement action seeking to compel compliance and collect penalties of up to \$37,500 per day of noncompliance pursuant to Section 104(e)(5) of CERCLA, 42 U.S.C. § 9604(e)(5) and as adjusted by 69 Fed.
